La rete Europea per aiutare le PMI a
crescere, innovarsi e
internazionalizzarsi

Giulia Marcon

Regione Piemonte

Gabinetto della Presidenza della Giunta Regionale

Settore Affari Internazionali e Cooperazione Decentrata

een.ec.europa.eu

La più grande rete di servizi per aiutare le Piccole e Medie Imprese a migliorare la loro competitività, sviluppare il loro potenziale d'innovazione e confrontarsi in una dimensione internazionale.

1

Enterprise Europe Network è uno degli strumenti chiave dell'UE per promuovere lo sviluppo e l'internazionalizzazione

2

Nata nel Febbraio 2008 per iniziativa della DG GROW

3

Co-finanziata attraverso i programmi **COSME** e **HORIZON 2020** per la promozione della competitività delle PMI

4

Budget programmato 2014-2020
2.3 mld euro

Servizi offerti alle PMI:

PARTNERSHIP INTERNAZIONALI

Partnership database
Eventi di brokeraggio
Company mission

SERVIZI DI CONSULENZA

Leggi e standard europei
Market Intelligence
IPR

SUPPORTO ALL'INNOVAZIONE

Accesso ai finanziamenti
Servizi di Innovation
Management
Trasferimento Tecnologico

Come funziona: partnership internazionali

Il database EEN contiene migliaia di profili di imprese e in aggiunta la rete organizza :

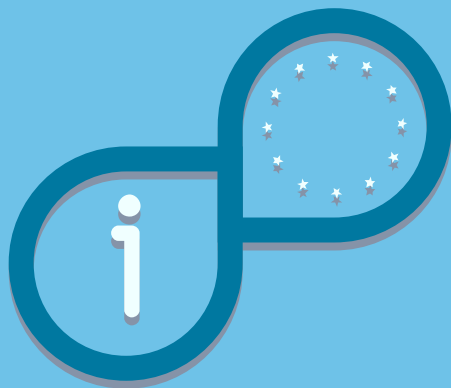

Matchmaking events in Europa che permettono di incontrare di persona le imprese.

Company missions dove si organizzano incontri internazionali mirati e orientati al business.

Come funziona: servizi di consulenza

Servizi su misura

- | Informazioni pratiche sulle modalità di business all'estero
- | Analisi delle opportunità di business all'estero
- | Informazioni sulle leggi europee e gli standard in vigore
- | Supporto sulla proprietà intellettuale
- | Feedback delle imprese sui regolamenti comunitari

Come funziona: supporto all'innovazione

Fast track to innovation

- Supporto alle PMI per accedere ai fondi R&I (H2020, SME Instrument)
- Servizio di consulenza per i beneficiari dell'SMEs Instrument (KAM)
- Dall'innovazione al mercato
- Ricerca tecnologica per l'innovazione

Le opportunità di partnership della rete

**Registrare il
profilo nel
database**

**Contattare
direttamente
un'impresa
estera
presente nel
database**

**Partecipare ad eventi di
settore e B2B**

Registrare il profilo nel database

TECHNOLOGY OFFER O TECHNOLOGY REQUEST:

se l'impresa possiede o ha bisogno di una specifica tecnologia innovativa o know-how ed è disponibile a ricevere o effettuare un trasferimento tecnologico

BUSINESS OFFER O BUSINESS REQUEST:
